

Maynard Mandy Menodin

Front End Web Developer /
Graphic Designer

Olongapo City, Philippines

About Me

Junior Front-End Web Developer with a strong foundation in HTML, CSS, JavaScript, and experience in responsive design. Passionate about combining code and creativity, with growing skills in graphic design for Pinterest and LinkedIn marketing. Eager to contribute to real-world projects and continuously grow as a developer and designer.

Things I'm Good At

- Build responsive websites and landing pages using HTML, CSS, PHP, JavaScript, Tailwind CSS, and WordPress with Elementor
- Design and maintain responsive email templates that ensure brand consistency across major email clients
- Optimize user interfaces and landing pages to enhance usability, engagement, and conversion rates
- Create graphics for Pinterest and LinkedIn marketing, as well as other marketing assets such as billboards, banners, and social media visuals using Adobe Photoshop, Illustrator, and Canva

Work Experience

2022 - 2025

Play-asia Support Ltd. Inc.

Web Developer

- Designed and maintained responsive email templates, ensuring brand consistency across major email clients
- Created and optimized marketing landing pages to drive user engagement and conversions
- Modernized the affiliate dashboard UI to enhance usability based on client specifications
- Developed a dedicated landing page for the partnership application, embedding the website for seamless user experience
- (<https://www.play-asia.com/info/PartnerProgram>)

2019 - 2022

Next Generation Technologies Global Inc.

IT Technical Support / Graphic Designer

- Provided hands-on support for hardware, software, and peripheral issues
- Troubleshoot desktop, printer, and POS system problems efficiently
- Performed basic network checks and ensured system connectivity
- Documented incidents and maintained IT equipment inventory
- Created marketing materials such as billboards, banners, and social media posts using graphic design tools
